

# SEASONAL BEST WISHES FOR CHRISTMAS & 2017

Image: photo of the Acropolis Museum's good luck charm for 2017. The charm is inspired by the waterspout in the form of a lion head from the ancient 'Temple of the Acropolis', which dates to the last quarter of the 6th century BC. The multi-coloured head of this regal animal decorated the roof of the Temple and protected the sacred building from every evil.
